

COPROSMA PLUM HUSSEY PVR30881

KEY FEATURES

- Bred by Jack and Kathy Ritchie, Tree Guys Nursery, Hawkes Bay, NZ
- Rich plum hues contrast well with bold green foliage and finely textured grasses
- New growth is brilliant lime green, creating a startling contrast against mature plum foliage
- Dense, compact, upright habit
- Useful addition to NZ native plantings to impart colour contrasts
- Wind, coastal and dry tolerant
- Protect from heavy frost
- 1.5m x 1-1.2m
