

ESCALLONIA PINK ELLE PVR32035

KEY FEATURES

- Outstanding selection producing masses of large upright panicles of rich pink flowers
- Flowers heavily in summer and sporadically through autumn – trim after flowering
- Forms a dense, compact shrub with healthy dark green foliage which creates the perfect foil for dark pink flowers
- Plant as a lightly clipped screen for an informal barrier or tightly clipped formal hedge
- Also suitable as background in a garden border or spectacular container specimen
- Wind, cold and coastal tolerant
- 1.5m x 1.2m
