

# HYDRANGEA BOMBSHELL

## KEY FEATURES

- Compact growing and abundant flowering makes Bombshell a small garden favourite
- Large, rounded flowerheads, covered in elegant creamy-white flowers are produced on new wood
- As the days shorten, flower colour shifts to delicate pale green, finishing the season flushed with pink as the nights cool
- Makes a perfect garden border filler and low screen, or mass planting on a difficult bank for the perfect summertime extravaganza
- Extremely cold hardy, prefers a sunny sheltered spot
- Deciduous
- 1m x 1.2m
