

# LAVENDER LOVEHEART

## KEY FEATURES

- Early flowering with deliciously fragrant foliage and flowers – the perfect combination!
- Delightful dusky pink wings with contrasting deep burgundy flowers on extra-large flower heads draw the eye to this exceptional lavender
- Forms a well branched, compact and tidy, erect growing small shrub
- Perfect for picking or drying to use in potpourri
- Plant as a feature in containers on the deck, grouped in garden beds or as a low screen
- An occasional light trim maintains shape and promotes further flowering
- Wind, coastal, drought, light frost, heat and humidity tolerant – exceptional!
- 0.7m x 0.6m
