

LAVENDER SENSATION ROSE

KEY FEATURES

- Bred in Australia to withstand a multitude of challenging climatic conditions
- Long flower stems are topped with large flower heads, studded with tiny magenta flowers and stunning, vibrant, dark pink wings
- Forms a well branched, compact and tidy, erect growing small shrub
- Excellent for picking and drying for potpourri
- Plant as a feature in containers on the deck, grouped in garden beds or as a low screen
- An occasional light trim maintains shape and promotes further flowering
- Wind, coastal, drought, light frost, heat and humidity tolerant – exceptional!
- 0.75m x 0.75m
