

NANDINA LITTLE FLICK PVR31043

KEY FEATURES

- A stand-out selection derived from Nandina 'Gulfstream'
- Large tufts of highly decorative, vibrant red, spring foliage lasts through summer and into autumn
- Vibrant red slowly fades out to dull red over winter before the next burst of colour appears
- Fabulous textural contrasts
- Attractive cut foliage
- Excellent habit – dense and compact
- Drought and frost tolerant
- 70cm x 60cm
