

OSMANTHUS PEARLY GATES PVR2482

KEY FEATURES

- Tough and highly fragrant – a win win!
- Masses of pure white, sweetly scented, tubular flowers smother the bush from winter to spring
- Extremely versatile plant, being tolerant of full sun to dense shade
- White flowers shine like a beacon from deeply shaded spots in the garden
- Make the most of the mesmerizing perfume – plant near entranceways, under windows and around al fresco dining areas
- Clips well into a low hedge
- Drought, frost and wind tolerant once established
- 1.5m x 1m
